YOU SAID. WE DID.
WE'RE STILL LISTENING!
Parent voice | June – November 2026
Thank you for helping us shape our school. Working in partnership with our families is incredibly important to us.
YOU SAID
(June survey)
79% of parents were satisfied with school communication.
80% of parents found reports helpful in understanding their child's progress.
64% of parents felt that their feedback had an impact on the school.
WE DID
Introduced our weekly Dovers Download, with school news, attendance and safeguarding updates.
Introduced face-to-face Parents' Evenings in the hall, written take-home summaries and opportunities to look through children's work.
Asked for your feedback to shape future events.
THE POSITIVE IMPACT
(November Parents' Evening survey – 22 responses)
100% rated progress information, written summaries and organisation and punctuality good or excellent.
95% rated their overall experience good or excellent.
95% rated the opportunity to view children's work good or excellent.
WE'RE STILL LISTENING...
Privacy: A separate location will be made available on request for families who require or would benefit from greater privacy.
We will also consider clearer signage, how we manage appointment timings, more detailed next steps for learning at home and opportunities to see classroom environments.
Longer follow-up appointments can be arranged where needed.
Thank you for your feedback. Together, we make Dovers Green even better.
We are all special, but we are all different.

This week at Dovers

This week, we held our second School Committee meeting of the academic year. We thought this would be a wonderful opportunity to share a little more about the important role our governors play in the life of Dovers Green.

Our governors are a dedicated group of volunteers who bring a wealth of knowledge, experience and skills to our school community. Working closely with the Headteacher, senior leadership team and Greensand Multi-Academy Trust, they help to shape the strategic direction of our school, whilst providing both support and challenge to school leaders.

Their role includes:
- **Strategic direction** – helping to shape our vision, priorities and plans for school improvement.
- **Support and challenge** – monitoring the school's progress and asking important questions to ensure we are continually improving.
- **Accountability** – helping to ensure that children receive a high-quality education in a safe, nurturing and inclusive environment.
- **Championing our school community** – keeping the interests of our children, families and staff at the heart of decision-making.

Whilst the Headteacher is responsible for the day-to-day running of the school, our governors play an important role in shaping its future.

We are incredibly grateful to our governors for generously giving their time, sharing their expertise and supporting our ambitions for Dovers Green. Together, we are committed to ensuring that every child has the opportunity to thrive and reach their full potential.

If you would like to find out more about our governors, including who they are and their individual roles, please visit the Governors section of our school website.

The Nest

This week in the Nest we have been focusing on how we can work together, even when we have differences between us. We have collaborated on making an advent calendar ready to start opening next week. We have also been playing games which sometimes require compromise and working on how we can respond when a game ends in disappointment. In Forest School we made fairy wands and used our imagination to assign special powers to them, thinking about how we can use these powers to help each other.

If you are having a sort out of toys no longer used before Christmas, please consider donating them to us. We are on the look out for: good quality jigsaws (age 3 and up) and small world items and people (eg. Playmobil, Happyland or similar). Thank you!

Admiral Butterflies

Key messages, celebration and practical reminders for Butterflies families.

This week Admirals class took a visit to the newly relocated library in the main school. We have been working on how to transition safely around Butterflies Centre, so visiting the library was the next big step for us.
We read a social story about the library and using visuals, helped pupils better understand the expectations around transitions and what to do when we got there. The children were brilliant and we enjoyed looking at the books and sharing a story together.

Look out for information arriving next week about our trip to the Baptist church on the 16th December as we will need you to respond. Thank you.

Emperor Butterflies

Key messages, celebration and practical reminders for Butterflies families.

This week we have been reading the text 'The Gingerbread Man'. We have enjoyed reading the story, acting the story out and exploring some ginger scented playdough.

Please remember:
To put the 16th December in your diary for our trip to the local church.

This week has been National Tree week. As a part of our learning we have been thinking about types of trees, looking after trees and plants and habitats.

On Monday we enjoyed our last Autumn session of Forest school where we explored the crunchy leaves, mini-beast habitats and even practised safely climbing a tree.
We have also been exploring natural resources in our classroom provision including bark rubbing, making mini-beast habitats from leaves, logs, bark and moss and colour sorting leaves.

In Drawing club this week we have been working on the story of Sleeping Beauty. The children have enjoyed coming up with changes they would make to the story such as what could happen to the princess and what could surround the castle.

Key notes:

- I will be sending out a seesaw message this week regarding costumes for the school play. Please keep your eyes peeled.
- We are collecting jars again for a Christmas project. Whatever you can spare would be great!

Reception

Ladybirds' Week of Fun!

- We have been working hard to learn some very special Christmas songs ready for our Wriggly Nativity.
- We have enjoyed Drawing Club and watching Road Runner and drawing the coyote and road runner.
- We have loved listening to Goldilocks and the Three Bears, our story of the week.

Please remember:

To get your costumes ready for the Wriggly Nativity by Thursday 3rd December. Please bring them in as soon as you have them in a clearly named carrier bag.

Year 1

This week in Year 1 we have been on a Curious Quest with the poem, The Pizza Tree. We have been 'inventuring' with pizza cats, giant pizza scoopers, and pizza trees on the moon! We are still keeping our focus on capital letters and full stops to keep our magic codes safe from The Greap.

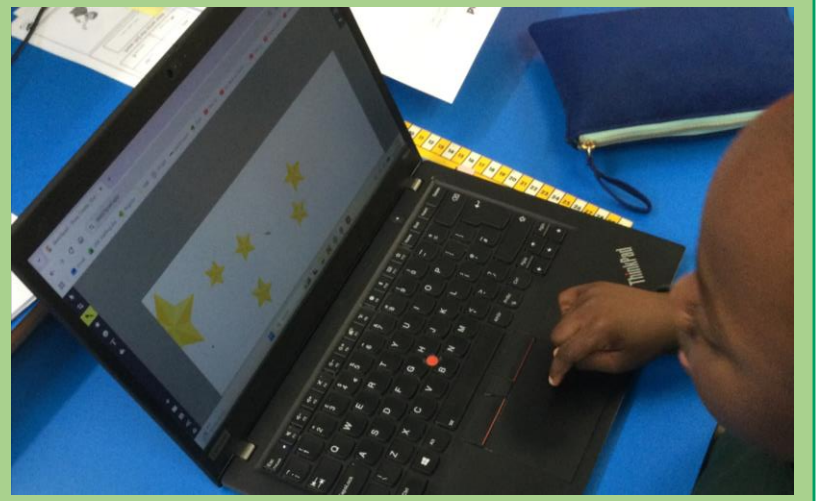
In maths we have been developing our subtraction skills to find the missing part, and work out how many would be left.

In computing we have continued to work on our mouse skills, using 'drag and drop' to move images and draw pictures, and working on our fine motor skills to support this.

We're beginning to practice our songs and class dances for the Christmas performance too! Please see below for a reminder of the costume message sent via SeeSaw this week.

For the Christmas performance, please can each child bring in:
1. A plain pair of trousers/leggings (brown, black or similar shades).
2. A plain t-shirt (brown, white, black or similar shades).

Please use whatever you have at home that fits the above criteria best. If you need help organising this, please contact us in confidence via the office.



The Dovers Download

Year 2

We have had an exciting week rehearsing for our 'Rootin Tootin' nativity and we are very excited to perform this for you in a few weeks time.

In our writing lessons we have finished our text Jim and the Beanstalk. Throughout the week the children wrote sequels to a different fairy tale. It has been great reading the numerous adventures that the Gingerbread Man could go on!

In maths we have been learning all about 2D and 3D shapes. We have been learning about their properties and identifying lines of symmetry.

In DT we have been exploring shape and stability through making a chair inspired by the story, 'Goldilocks and the three bears.'

For the Christmas performance, We have been searching through our loft and have found costumes for most characters but can everyone (apart from Angels who need either cowboy/girl trousers or a pair of jeans) bring in a pair of dark coloured leggings in a named bag.

Autumn fun

Our Tigers have been getting crafty with some fantastic flying creations, experimenting with magnets before picking up their hockey sticks for lots of active fun. What a great time they've had!

Every Day Matters at Dovers Green

We are here to support

Regular school attendance helps children to learn, grow in confidence, make friends and get the very best from their time at school. We work in partnership with families to support good attendance and address any concerns early.

Our Attendance Targets

Our school target: **95%+**

Trust target: **97%+**

Attendance Groups

- **97%+ Good** – Excellent attendance – keep it up!
- **95% – 96.9% Monitor** – We'll keep an eye on attendance and offer support if needed.
- **90% – 94.9% At risk** – Attendance is a concern and we will work with you to improve it.
- **Below 90% Persistent absence** – A significant concern that needs a more structured support plan.

Our Attendance Support Process

If a child's attendance falls below our expectations, we follow a staged, supportive approach:

1. **First concerns – At risk (90% – 94.9%)** – A member of your child's class team will telephone you to check in, understand any barriers and offer support.
2. **Continued concern** – If attendance does not improve over the next 3 weeks, you will receive a general attendance letter with further advice and support.
3. **Persistent absence (below 90%)** – If attendance falls into persistent absence, you will receive an attendance concern letter, and we will monitor for a further 3 weeks.
4. **Ongoing concern** – If there is no improvement after this period, we will invite you to a meeting with the Headteacher to agree an Attendance Support Plan. This plan will set out the support in place and next steps to help improve attendance.

Keeping You Informed

- Attendance information and reminders are shared regularly in our Dovers Downloads.
- You will receive an attendance summary at Parents' Evening each term and with your child's summer report.

Medical Evidence

If your child is regularly absent due to illness, we may send a medical evidence letter. This means that, for any future illness absences, we will require medical evidence (e.g. GP appointment note, prescription or other medical confirmation). Without this, the absence may be recorded as unauthorised.

Local Authority Fines

The Local Authority may issue a Penalty Notice (fine) for unauthorised absences, in line with Surrey's procedures. A fine may be considered when there are 10 or more unauthorised sessions (equivalent to 5 school days) within a 10 school week period.

We are here to support

If you are worried about your child's attendance, please speak to your child's class teacher or a member of the school leadership team. We will listen, work with you and help to remove any barriers, so your child can attend school regularly and thrive.

Pantosaurus, PANTS and Consent: Keeping Ourselves Safe and Respectful

This week in school, we have been reminding children about Pantosaurus (the NSPCC's friendly dinosaur) and the PANTS rules. We are also learning about consent – understanding that we all have a choice about how we are touched, and we must always respect our own and other people's choices.

What is consent?

Consent means giving permission for something – like a hug, a game or a touch. It is important that we:

- Ask first.
- Respect the answer (yes or no).
- Be kind and give others space if they do not want to.

The PANTS Rules

P Privates are private.

A Always remember your body belongs to you.

N No means no.

T Talk about secrets that worry you.

S Speak up, someone can help.

How you can support at home

- **Read a Pantosaurus story** together (see below).
- **Talk about body privacy** – explain that parts of our body covered by underwear are private.
- **Practise everyday consent** – e.g. ask "Would you like a hug?" and respect "no".
- **Reinforce safe and respectful play** – no looking at, touching or asking about other people's private parts.
- **Reassure** your child that they can **always talk to a** trusted adult at home or at school if something makes them feel worried or uncomfortable.

Recommended Stories

- **Pantosaurus** (NSPCC)

- **My Body Belongs to Me** (Jill Starishevsky)

- **No Means No!** (Jayneen Sanders)

Simple Activities and Conversations

- **Talk it through:** "Which parts of our body are private?" "What can we say if we do not want a hug?"
- **Create a PANTS poster:** Draw or decorate the 5 PANTS rules together.
- **Role-play:** Practise ways to say "no" kindly and what to do if something feels uncomfortable.
- **Feelings check-in:** Talk about how they feel and that it is always OK to tell a trusted adult.

A shared and consistent message at home and school helps children feel safe, confident and respectful of themselves and others.

Reporting your child/ren off school due to illness

If you need to report your child/ren off due to illness please use the following order with Arbor being our preferred method. Please note all absences need to be reported by **09.00am**, thank you.

1. Please go to the Arbor app, or Parent Portal to report your child off, please use the link below and follow the instructions

   Logging absences on the Parent Portal and Arbor App – Arbor Help Centre

2. Please call 01737 245515 press 1 for our absence line

3. Please email absence@dovers-green.surrey.sch.uk

Reporting absences not due to illness

Dovers Green School
Reaching up, Reaching out

Reporting Absences

Please ensure that the school office is informed whenever your child/ren are absent from school, **including** for early morning medical appointments.

This allows us to record their absence accordingly and avoids the need for the office staff to contact you unnecessarily.

If you **have not** already done so, please ensure that an **absence form** is completed for all medical appointments or any other time your child/ren will be away from school.

Thank you for your cooperation and support.

If you would like to know about particular allergens in foods, please ask a member of the catering team for information. If your child has a school lunch and has a food allergy or intolerance you will be asked to complete a form to ensure we have the necessary information to cater for your child. We use a large variety of ingredients in the preparation of our meals and due to the nature of our kitchens it is not possible to completely remove the risk of allergen cross contact.

PTA and community

Dear Dovers families,

After the resounding success of last year, the **PTA Christmas Hamper Raffle is back**! This year **we have 8 delicious hampers and 1 LEGO bundle to be won!**

How you can help:
We're asking for donations to help fill the hampers! To get a range of items, we'd ask that each year group donates from a category each, these are below. Every little helps! Just an item or two is welcome, so please don't spend over your means:

🍫 **Reception:** e.g. Chocolates, biscuits etc. or Christmas crafts
🥨 **Year 1:** Savoury biscuits, crisps and nibbles etc.
🥂 **Year 2:** Drinks (hot chocolate, tea, soft drinks, wine etc...)
🦋 **Butterflies:** Please donate from your child's year group list

From Monday next week (30th Nov) a festive donation box will be outside the front reception each morning until 9am, please pop items in there! We'll collect donations until Fri 11th Dec.

Tickets go on sale from Monday too: 50p each and we'll send out the link you'll need to use!

Key dates
📦 **From Mon 30th Nov:** Donation box by the school office
🎟️ **Tickets:** 50p each via Raffall (details to follow on Monday)
📦 **Fri 11th Dec:** Last day for donations
🎁 **Mon 14th Dec:** Winners drawn, with hampers ready for collection from school. We'll also aim to include one or two allergy-friendly hampers.
Thank you for your support!
