**Supporting texts**

**Learning intentions**

Please teach me to...

Learn different positive problem solving techniques which I can use to resolve a friendship conflict.

Identify the feelings associated with trust.

Identify different people I can trust.

Understand that families function well when there is trust, co-operation, love, respect and communication

**The Jigsaw! Charter**

- We take turns to speak
- We use kind and positive words
- We listen to each other
- We have the right to pass
- We only use names when giving compliments or when being positive
- We respect each other's privacy (confidentiality)

**Reflective questions**

Ask me this...

What positive problem solving techniques could you use to resolve a friendship conflict?

What are you grateful for in your family?

What is special and unique about your family?

What is the same/ different about your family to your friend's family?
