The development of SMSC and the promotion of British Values within Art

SMSC	<ol style="list-style-type: none">1. Children will have the opportunity to choose the media and materials they wish to use to create their art work.2. Children will have the opportunity to share their art work and explain in simple terms how they have created their art work eg: "I used paint".3. Children will have the opportunity to work collaboratively and share their resources with others.4. Children will be introduced to a range of artists and art work5. Children will be given the opportunity to use different media and mediums to create art work6. Children will have the opportunity to explore art from different eras and cultures
British Values	<ol style="list-style-type: none">1. Democracy; encourage respect for democracy by making decisions together or voting for art work that we like the best from a selection created by specific artists.2. Rule of Law; enable students to share resources.3. Respect and Tolerance; encourage students to be positive about the work of others and begin to understand that we all have our own opinions.4. Individual Liberty; Children should develop a positive sense of themselves. Staff can provide opportunities for children to develop their self-knowledge, self-esteem and increase their confidence in their own abilities, for example through allowing children to talk about their experiences and learning.
