

Why do we use White Rose Maths?

- <https://whiteroseeducation.com/resources?year=early-years>

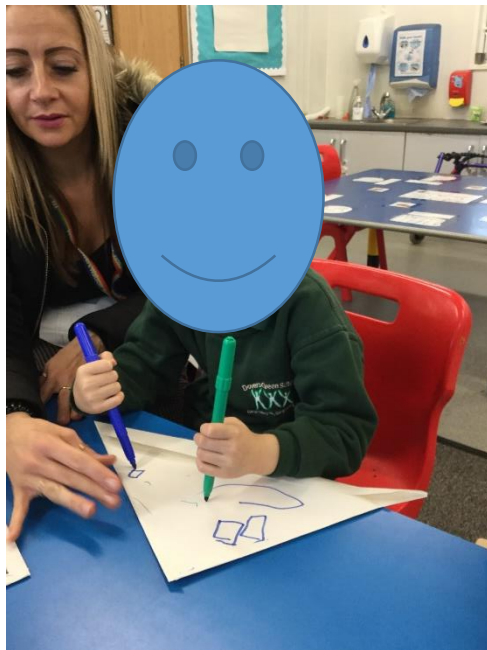

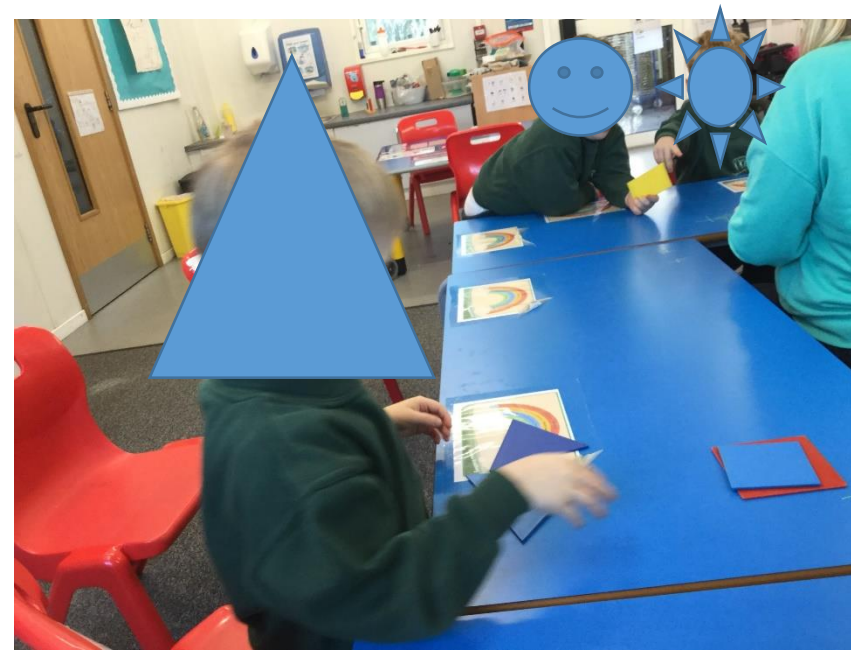

Progressive framework from EYFS through to Year 6

Built on through their time in Badgers and through integration for some children

We adapt the planning to make the learning active, fun and visual but the learning objective remain the same

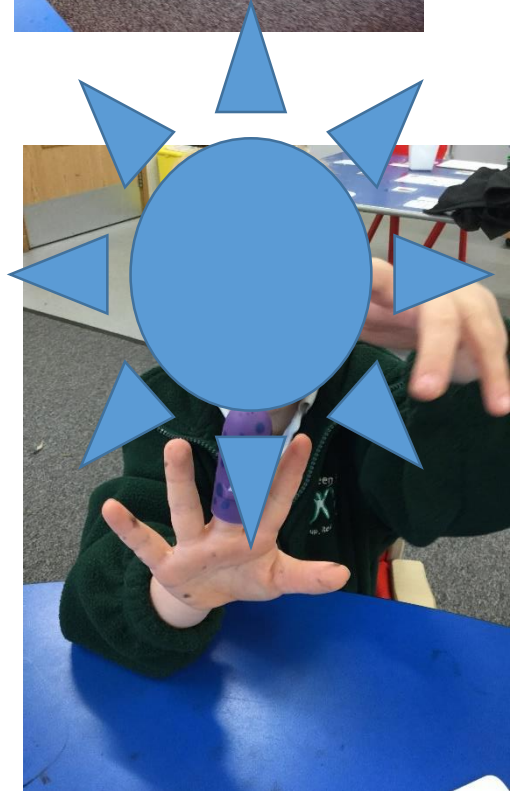

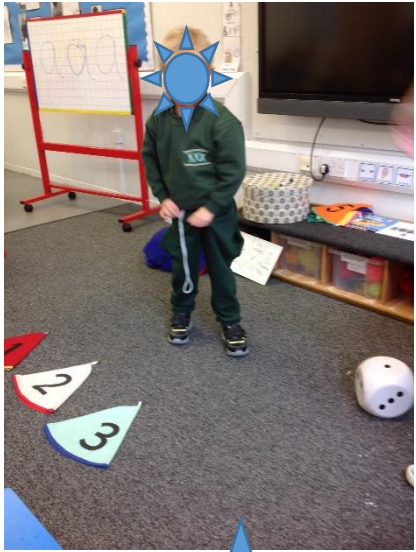

Independent learning opportunities to put the learning into practice

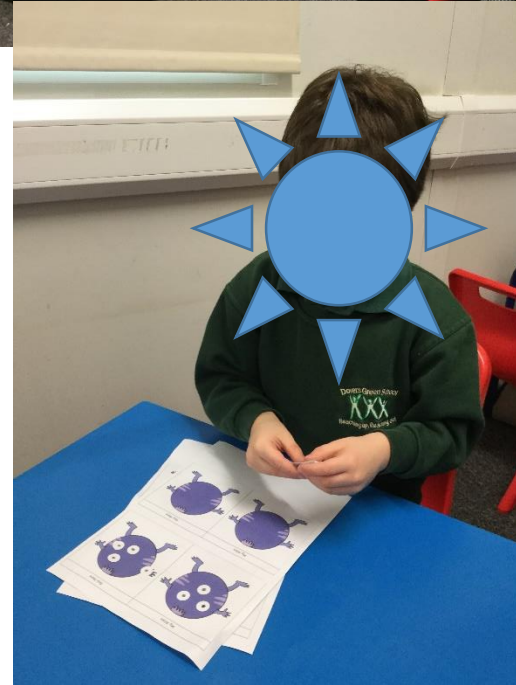

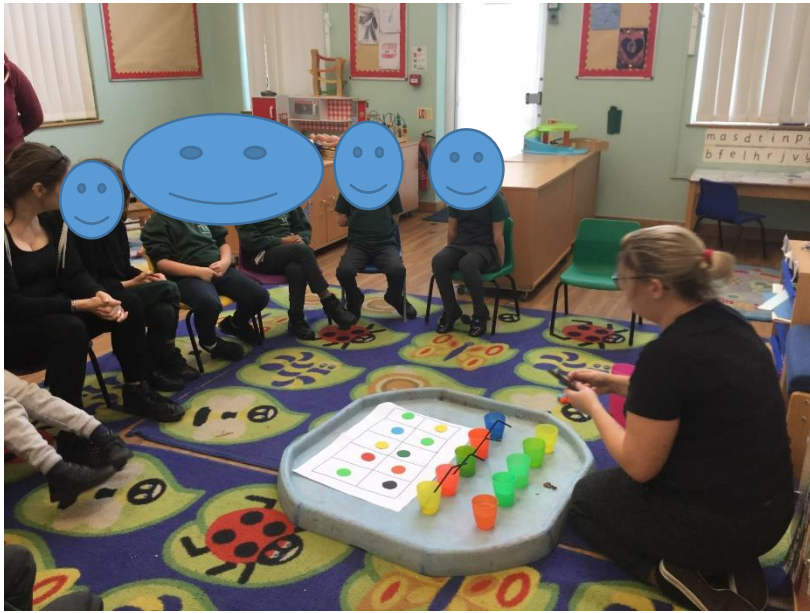

Sorting and
classifying

Recognising
numbers,
counting
items and
objects, 1
more and 1
less

Using concrete items as children move into Year 1 and beyond- subtraction, using 10 frames, patterns, problem solving.....
