

## Dovers Green School School Sports Premium

### What is Sports Premium Funding?

The government is providing £150 million of Sport Premium funding per annum ring fenced for the 2016-2017, 2017-2018, 2018-2019 and 2019-2020 academic years to support delivery of PE and sport in primary schools.

- ✚ For the year 2018-19 we received of September 2017 we received **£17,910**
- ✚ **We brought forward** £7,627 from 2017-18 so had a total of **£25,537**
- ✚ The funding is ring fenced and was surveyed by OFSTED at the end of the first year.
- ✚ All schools are required to report how they are using this funding on their website.
- ✚ Schools should consider whether use of the premium is giving pupils the opportunity to develop a healthy, active lifestyle.

### Purpose of Funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sports already offered and make improvements now that will benefit pupils joining the school in future years. However, they will have the freedom to choose how they do this.

Possible uses for the funding include:

- ✚ new or additional sports clubs;
- ✚ supporting professional development opportunities in PE, sport, activity and health;
- ✚ providing cover to release teachers for professional development in PE or sport;
- ✚ running sport competitions, or increasing participation in the school games;
- ✚ buying resources or materials for PE and sport;
- ✚ providing places for pupils in after school sports clubs;
- ✚ providing opportunities to encourage a healthy, active lifestyle.

### How the Funding Can Help

- ✚ Participation in PE and sport can improve a huge range of positive attitudes, attributes and skills.
- ✚ Participation in PE and sport will improve skill and health/well-being outcomes which with support transfer into measureable school achievement outcomes.
- ✚ PE and sport can also help to shape behaviour, reduce truancy, promote inclusion and cohesion.
- ✚ Improve professional confidence amongst staff in the delivery of high quality PE lessons and physical activity across the school as we feel that this is the most effective and efficient way for the funding to have a long lasting and positive effect on future learning and physical development of

children within our school.

✚ Replace and improve resources and provide additional opportunities to promote PE, sport, activity and health.

2018-19

Priority	Cost	Aims	Impact
To continue to employ a Sports Activity Leader to plan and deliver structured lunchtime sports activities.	£3590	To engage the children in a variety of different games and PE activities every lunchtime.	Increased the value of children's play experience by supporting collaboration, and social skills through a varied choice of activities. Helped children understand the importance of needing rules to make games fair and enjoyable for all.
To continue to employ a sports coach from Reigate School to run multi sports after school for one day each week.	£1093	To give children increased opportunities to participate in a variety of different sporting activities.	Children are able to enjoy a sports session outside school hours and affordability is not a barrier to them participating.
To train a further five staff as Level 3 Forest School Leaders.	£4300	To enable all classes to continue to have a Forest School session every week with enough staff trained so that even with staff movement this is still viable.	All children in school have participated in high quality Forest School sessions every week which has given them opportunities to further develop independence, confidence, build their self- esteem, develop social interactions and work collaboratively together. They demonstrate increased knowledge of the outside learning environment and really understand the importance of looking after our world. Through a range of activities the children use taught skills to problem solve and risk take in a safe environment.
Books to support the understanding and best practice of Forest School	£26		
To improve a range of sports activities accessible to children throughout the school day but especially at play and lunchtimes.	£2995	Purchase and installation of Anomaly board.	All children can now take part in interactive dance classes, fitness routines and singing and ring games. This has improved the amount of movement activities they are taking part in each day.
Teaching chn and parents about healthy lifestyles including a healthy diet and personal care	£2995	Purchasing the licence with video bank from Change 4 Life and NHS to display on the Anomaly board	All children and parents/carers can view news bulletins from school and they are constantly updated with healthy living strategies, new initiatives and any new information released from
Maintenance and upkeep of Anomaly		To receive regular updates keeping the	

board	£2995	board relevant and up to date with current and key messages. To ensure to continues working with services.	the NHS and Change 4 Life.
Continue to support core strength and flexibility through Pilates scheme	£444	IMoves annual membership	Children are engaged in their pilates sessions. They have improved muscle control and core strength.
A Life Healthy Workshop, supporting us with healthy living	£499	To support children with healthy living and what is needed to have a healthy lifestyle.	Children are able to discuss how to be healthy and lead a healthy lifestyle. They understand they healthy and unhealthy foods available and that exercise is an important factor to stay fit.
Provision of multi-use games area	£2600	For children to have an extra area to be physically active during lunch and playtimes	Children are more active at lunchtimes in a safe area. They have the chance to develop hand eye coordination and gross motor skills, balance, agility and co-ordination on the climbing wall.
To develop the sensory equipment for our High COIN pupils and maximise the use of the units new outdoor area	£1462	To give the High COIN children more opportunities to be active and working collaboratively whilst addressing their specific sensory needs	The High COIN children are more engaged in developing their gross motor skills, are more engaged in their active independent play and are working collaboratively together
Bike It Breakfast engaging parents and children to be more active	£160	To provide a range of continental breakfast for families to share following an incentive to cycle or scooter to school	121 families came to the three Bike It Breakfasts held this year.
Sports Award stickers for active lunch and sports day	£83	To reward children for taking part and for their achievements in a range of sporting activities	Encouraging children to participate and support well-being.
PE equipment	£190	To replace sports equipment and make sure we are well resourced with high quality equipment	The children are able to use the new parachute, bean bags, footballs and tennis balls in their PE lessons, along with a new bag to carry and store all footballs.

### Priorities and Intent for Sports Premium funding next year

- ✚ Commander Joe Missions - to support the children with the School Values using Commander Joe's missions.
- ✚ Replace skipping ropes - to ensure all classes have replenished and fully functioning equipment for daily skipping.
- ✚ Indoor gymnastics equipment - to support gymnastics lessons using large foam equipment.
- ✚ All staff to receive gymnastic training - a twilight session to support teachers and ensure they are confident to deliver gymnastics.
- ✚ Join Active Surrey - children in KS1 to participate in multisports competitions with other schools.
