Class: _____

We are confident communicators

When we talk and share ideas,
we're confident and clear!
We listen well and understand
when others need our ear.

I can say 'hello', 'good morning' and 'good afternoon' using makaton.

I have made a book and shared/read it to my friend.

I have written a letter.

I have performed in an assembly.

We are environmental explorers

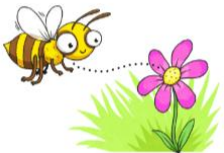

Exploring nature all around,
we learn to see its worth.
We value our environment
and nurture planet Earth.

I have picked up litter from
the school grounds.

I can identify 6 trees and 6
types of plants in Forest
School and our school
grounds.

I have grown flowers to
attract bees and butterflies.

We are inclusive individuals

Reaching up, reaching out!
Exploring all directions.
Cherishing diversity,
we love to make connections.

I have listened to stories
from around the world.

I have tried and tasted
some food from around the
world.

I have shared a celebration
that is special to me.

I have learnt 5 makaton
signs such as 'friend' and
'help.'

We are life-long learners

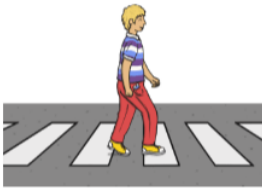

We always love to find things out;
there's so much to be known.
We'll question and be curious
even when we're fully grown!

I have visited a library.

I visited a shop.

I have learnt about road
safety.

I can ride a bike, a scooter
or become more skilled in
moving independently.
