

# Butterflies - Let's get Creative/ Explore Space

Spring 1

## Key Vocabulary

Artist		A person who creates drawings or paintings.
Past		Something that has already happened
Gallery		A place filled with things to look at such as paintings, drawings and sculptures.
Explorer		Someone who makes a journey to somewhere in order to find out new things.
Space		The area directly outside the Earth's atmosphere.
Astronaut		A person who is specially trained to travel into outer space. The word astronaut comes from the Greek words meaning 'space sailor'.
Planets		Large natural objects that orbit or travel around stars. In our Solar System this is the sun.
Solar System		The planets that orbit the sun as well as dwarf planets, comets and asteroids.

## Books/Media:

## Key Knowledge

### We will learn...

That 'John Nash' the artist painted 'Window Plants'.

To talk about what we remember from the past using the language of time, such as 'yesterday', 'last week' and 'in the past'.

Explore similarities and differences between things in the past and now, by drawing on our experiences, looking at photographs and our scrapbooks.

That the solar system consists of Mercury, Venus, Earth, Mars, Jupiter, Saturn, Uranus and Neptune.

That Neil Armstrong was an American astronaut and was the first man to set foot on the moon on July 20<sup>th</sup> 1969.

That Neil Armstrong famously said: 'That's one small step for man, one giant leap for mankind.'
