

Dovers Green School

School Sports Premium 2021-2022

What is Sports Premium Funding?

The primary PE and sport premium was introduced in March 2013 to improve the provision of physical education and school sport in primary schools across England. The £320 million per year funding is provided jointly by the Departments for Education, Health, and Culture, Media and Sport (DfE, DH, DCMS). The funding is allocated directly to primary schools and is ring-fenced. This means it may only be spent on improving the provision of PE and sport in schools.

For 2021-2022, Dovers Green received £17,910 in Sports Premium funding.

We carried forward £2507 from the academic year 2020-2021, giving a total spend of £20,417.

Purpose of Funding

Schools must use the funding to make additional and sustainable improvements to the quality of PE and sports already offered and make improvements now that will benefit pupils joining the school in future years. However, they will have the freedom to choose how they do this.

Possible uses for the funding include:

- ✚ new or additional sports clubs;
- ✚ supporting professional development opportunities in PE, sport, activity and health;
- ✚ providing cover to release teachers for professional development in PE or sport;
- ✚ running sport competitions, or increasing participation in the school games;
- ✚ buying resources or materials for PE and sport;
- ✚ providing places for pupils in after school sports clubs;
- ✚ providing opportunities to encourage a healthy, active lifestyle.

How the Funding Can Help

- ✚ Participation in PE and sport can improve a huge range of positive attitudes, attributes and skills.
- ✚ Participation in PE and sport will improve skill and health/well-being outcomes which with support transfer into measureable school achievement outcomes.
- ✚ PE and sport can also help to shape behaviour, reduce truancy, promote inclusion and cohesion.
- ✚ Improve professional confidence amongst staff in the delivery of high quality PE lessons and physical activity across the school as we feel that this is the most effective and efficient way for the funding to have a long lasting and positive effect on future learning and physical development of children within our school.
- ✚ Replace and improve resources and provide additional opportunities to promote PE, sport, activity and health.

2021 - 2022

Key Improvement Indicator	Priority	Cost	Aims	Impact
Engagement of all pupils in regular physical activity.	To continue to employ a Sports Activity Leader to plan and deliver structured lunchtime sports activities.	£156	To engage the children in a variety of different games and PE activities every lunchtime.	Increased the value of children's play experience by supporting collaboration, and social skills through a varied choice of activities. Helped children understand the importance of needing rules to make games fair and enjoyable for all.
Broader experience of a range of sports and physical activities offered to all pupils.	To give TA support to a group of year two Pupil Premium children who will take part in weekly tennis sessions with a focus on increasing their physical activity during a week.	£264	To offer the year 2` Pupil Premium children the opportunity to take part in tennis sessions with an external tennis coach, to raise their physical activity and movement time.	The group of 18 children who engaged in this were exposed to an extra weekly physical activity session, which increased their weekly movement and physical activity time and gave them an opportunity which they may not have experienced before.
Increased confidence, knowledge and skills of all staff in teaching PE and sport.	To develop the standard of PE lessons across the school.	£1995	To buy into Create Development - Real PE. Staff will receive training and follow a PE program that will boost their confidence in teaching this subject and will ensure lessons are progressive and structured.	96% of children in Reception achieved the Early Learning Goal for Physical Development; 87% of children in year 2 and 97% in year 1 made expected progress in PE.
Engagement of all pupils in regular physical activity.	To improve a range of sports activities accessible to children throughout the school day but especially at play and lunchtimes.	£1500	Licence and daily set up for the Anomaly Board with video bank from Change 4 Life and NHS to display on the Anomaly board.	Activities such as dance and mindfulness are displayed on the Board. Children are able to join in during their lunchtimes and playtimes. Messages are displayed reminding children and parents of the importance of a healthy lifestyle.

Key Indicator	Priority	Cost	Aims	Impact
Broader experience of a range of sports and physical activities offered to all pupils.	To have ActivAll walls installed on the playground. ActivAll board installed on Ladybirds playground.	£2995 £1800	To give children ample opportunity to be physically active during their lunchtimes, throughout the use of their continuous provision and for movement breaks, when needing a break from structured learning.	Children compete in games and competitions using the ActivAll's and their outdoor learning time has increased movement time, boosting their physical activity.
Increased confidence, knowledge and skills of all staff in teaching PE and sport	All staff to be trained to use ActivAll successfully.	£2995	All staff are able to use the boards.	Children are engaged in a range of physical activity at lunchtime. Hand eye coordination noticeably improves as the children play the games.
The profile of PE and sport is raised across the school as a tool for whole-school improvement.	To ensure the upkeep of ActivAll. This will ensure children will have maximum learning time with them.	£2800	Ensuring the ActivAll's are always working and up to date.	Children have been able to use the ActivAll during lunchtimes and Ladybirds have been able to use it when engaged in child-initiated learning on the top playground. Physical benefits but also promotes social development such as turn taking.
Broader experience of a range of sports and physical activities offered to all pupils.	To develop gross motor skills in EYFS through additional climbing equipment	£1000	Children will have the opportunity to develop gross motor skills through the use of climbing equipment.	To be delivered by September.
Increased participation in competitive sport	Purchase high quality PE equipment	£1504	To replace sports equipment and make sure we are well resourced with high quality equipment and resources.	The children are able to use the new equipment including netball posts, various climbing equipment and replenished PE stock ensuring PE lessons are all fully equipped.
Broader experience of a range of sports and physical activities offered to all pupils.	Continue to use 'Commando Joe' missions.	£1750	To purchase resources and to provide training for staff on using 'Commando Joe's Adventure Missions.'	The children enjoy their Commando Joe sessions and have demonstrated resilience, problem solving skills and collaborative working.
Broader experience of a range of sports and physical activities	To renew Forest School resources.	£1300	The children will have a range of resources to use in Forest	Children can engage fully in Forest School sessions due to the

offered to all pupils.			School to promote learning and physical activity.	availability of resources.
Engagement of all pupils in regular physical activity.	Purchase equipment suitable to engage children a variety of activities during lunchtime play.	£300	Children are able to choose from a range of resources to keep them physically active over lunchtime	Children have not only been more physically active but we have seen the number of incidents at lunchtime reduce.

Priorities and Intent for Sports Premium funding next year

- ✚ Re-join Active Surrey - children in KS1 to participate in multisports competitions with other schools.
- ✚ To renew the playground markings
- ✚ Re-introduce daily 10 minute skipping.
- ✚ Purchase equipment suitable to engage children a variety of activities during lunchtime play.
- ✚ To increase the number of Pupil Premium, SEND and EAL children participating in a range of extra-curricular sporting activities.
- ✚ To continue to develop the use of ActivAll and the Anomoly board through training.
- ✚ To train more Forest School leaders.
- ✚ To maximise training opportunities with Create Development ensuring PE is taught and delivered to a high standard.
- ✚ To continue to work across Greensand Trust for training, observation and mentoring opportunities within PE.
